

**Special Provisions for the School for the Blind and Visually Impaired and School for the Deaf
Rider Highlights - Senate**

Modification of Existing Riders

3. **Appropriation of Funds.** Recommendations update names of funds within the State Treasury to reflect their current names.
8. **Quarterly Reporting of Other Funds Revenue.** Recommendations amend rider to require TSBVI and TSD to submit quarterly reports of all Other Funds estimated revenue, rather than ISD payments.

New Riders

10. **Cash Flow Contingency.** Recommendations include moving TSBVI Rider 5, Cash Flow Contingency, to Special Provisions to provide a cash flow contingency for both schools. Recommendations modify rider to change funding source to Foundation School Program appropriations and increases transfer amount to \$1.0 million per year for each school. Transfer is contingent on lower than estimated Other Funds revenues and requires LBB and Governor approval. Recommendations include modifying approval to auto-approval after 30 calendar days with information requests from LBB interrupting the counting of days.
